Dear Incoming SWU PHINMA School of Medicine Student:

Congratulations on your decision to attend the Southwestern University PHINMA School of Medicine! We, the Dean, the school administration, and staff members look forward to welcoming you in person this upcoming August. We want to take this opportunity to introduce ourselves and let you know about this journey you are about to take.

SWU PHINMA is recognized in the region as a leader in medicine, dentistry, and allied health programs. As the first medical school outside the Philippine's capital Manila, we have built a reputation of producing board exam top-notchers and excellent graduates for 67 years.

To ensure that you become the best that you can be here in SWU PHINMA School of Medicine, applicants will go through a selection process by the Admissions Committee.

First, the applicant has to pass the initial screening which includes the National Medical Admission Test (NMAT) percentile rank and submission of Transcript of Records (TOR). The NMAT percentile rank should be 40% as cut-off score and above; the TOR should show no failing grades to meet the preliminary screening.

Second, short listed candidates will be undergoing the Multiple Mini Interviews (MMI) which determines their eligibility. Lastly, the applicant must be able to pass the required Physical Examinations.

For the international students, acceptance letter for visa purposes will be given after they have complied with the interviews and/or enrollment.

To further guide you with the enrollment process and help you familiarize with our academic program, included in this admissions packet are the following:

1.) List of requirements
2.) Enrollment Procedure and Timeline
3.) Fees
4.) Application Form
5.) Course Description
6.) Syllabus Descriptive Title
7.) Curriculum Map

Our best wishes for an enjoyable summer as you prepare yourself for the excitement ahead. We are confident that you will be an essential part of a wonderful class; we look forward to welcoming you to Southwestern University PHINMA and to the profession of medicine.
